### FOR IMMEDIATE RELEASE

#### The Virginia Council for Private Education Valuable Subscription Service Continues

**September 1, 2008** – The Virginia Council for Private Education (VCPE) will continue to offer a subscription service, created by VCPE in 2007 in an effort to reach beyond the schools that are eligible for VCPE services through affiliations with member associations.

The subscription service allows non-affiliated associations and schools to gain access to the VCPE exclusive resource entitled, **Virginia Law and Private Schools: A Guide to Opening and Operating a Private School in Virginia**. Subscribers also have access to information available through the VCPE Email Update Listserv and School Access password protected page.

The **Virginia Law and Private Schools** publication includes:

- Valuable information on basic but necessary steps for opening and operating a private school in the Commonwealth,
- Constitutional and statutory provisions of interest to Virginia's private schools,
- Issues and concerns surrounding Federal Law,
- Overviews of Virginia Department of Social Services and Department of Health requirements; and,
- Information on the VCPE structure and services

Although this publication includes many references to the Code of Virginia and various State regulations as they relate to private schools, it is **not** intended as a substitute for professional legal council.

VCPE supports and promotes high standards for private schools in the Commonwealth and hopes that the new subscription service will encourage individuals planning a private school and existing private schools outside of the current constituency, to consider the possibility of a state recognized accreditation through one of the VCPE approved accrediting associations.

A VCPE Subscription Application form is available on request or downloadable from the VCPE website: <http://www.vcpe.org>. Please return the completed application form with a check written out to VCPE for \$150 and your legal guide will be mailed as soon as possible. The applications and checks should be mailed to:
